

James Legan

Official JLSwish USA Basketball Tour Information Booklet of 2024

JOIN US IN HOUSTON FOR A TRIP OF A LIFETIME TO PLAY THE GAME, EXPLORE AMERICA AND TRAIN LIKE ONE OF THE

SERIOUS ABOUT BASKETBALL?

The JL Swish basketball program is again preparing for our annual USA Basketball Tour after successfully completing our 6th tour last year in December 2023. We are excited to offer our tour again this year, which will be a eye opening experience and a once in a lifetime opportunity for all Australian junior basketball players who participate.

WHAT WE EXPERIENCE

This year our selected tour cities will be Houston, Dallas and Las Vegas , our players will practice, and play in a variety of games and tournaments throughout their stay.

FOUNDED IN 2016

JL Swish Basketball was created back in 2016 by founder and James Legan who has been running tours ever since. James has traveled internationally for the game and has been coaching for over 15 years.

This tour combines intense basketball development, cultural exploration and team bonding opportunities to create memories and experiences of a lifetime. We give players the opportunity to test their skills on an international stage and set their basketball careers off in the right direction.

IS THIS TOUR FOR YOU?

Players looking for international exposure and to strengthen their skills as a team player and as individuals. With coaching clinics lead by experienced basketball professionals, they will truly be able to tap into their skills and learn from some of the very best.

This is also for players looking to experience and see first hand what the American basketball culture is about. This will be a chance for participants to really gauge for themselves where they stand physically and mentally against some of the best high school players in America while also broadening their social skills as basketball players and as young student athlete.

FAMILY

We welcome the family of all players to participate in all our tours. We recognize that this is an exciting experience that many supporting members would like to experience alongside their loved ones. Families may choose to take this opportunity to spend the holidays in America after the tour and we are more than happy to work with you and accommodate this.

EXPERIENCE THE BASKETBALL CULTURE LIKE NEVER BEFORE

We are excited to offer this tour which will be a great reward for all of your hard work and dedication. We also see it as an opportunity for you to test your skills on an international stage against some of the best competition America has to offer and set your basketball career off in the right direction.

TOUR OBJECTIVE

Our tour objectives consist of providing a combination of high level basketball games & experiences with guest coaches, cultural activities, and social events that really show our players what basketball and life is like outside of Australia.

All players will get to use this opportunity to test their skills on an international stage against some of the best high school basketball players that America has to offer.

In the past this has set players basketball careers off in the right direction. For many past players this experience has been a turning point for player's careers, skills and mindset. We can guarantee all participants will return from this experience motivated and driven to be the best they can be in the game of basketball.

TOUR SAFETY

The safety and wellbeing of each tour participant is our first priority. Therefore, we have employed a wonderful group of staff who help coordinate and assist us throughout each tour to help make this the best possible experience for everyone.

TOUR COMMUNICATION

Families of tour participants will be regularly updated throughout the year about what's happening with the tour practices, flights and itinerary. While players are away on tour families will be able to watch games Via our Instagram/Facebook/ YouTube pages. JL Swish Basketball also will provide a team group page on Facebook for communication throughout the year and whilst away along with regular updates to our social media pages to keep everyone in Australia informed about the tour.

MEET THE COACH

Your coach James Legan, is the founder of the JL Swish Basketball Tour. He was raised in Houston, Texas, and went to East Carolina University, (NCAA Division 1). After graduating in 2010, he continued his basketball career in Australia, where he's been playing professionally since 2011. Over the years James received numerous accolades on the court, including NBL1 North leading scorer (30.1 averaged points per game), All Star 5 selection in both the NBL1 Central and North leagues, and AustralianBasket.com Player and Import of the Year (2016), just to mention a few.

Since 2014 he found a passion in helping the next generation of up and coming players of all ages and all walks of life pursue their dreams in the game of basketball. As a result, he has built this platform to help educate younger players on the tools they will need to make it not only in basketball but in life. This tour will provide an insight into the work ethic, nutrition and determination that is required to be successful in this game.
