Step 4

Locating your child's team:

1. Go to settings in our home screen 

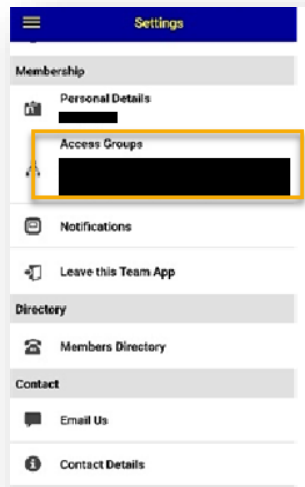

OR

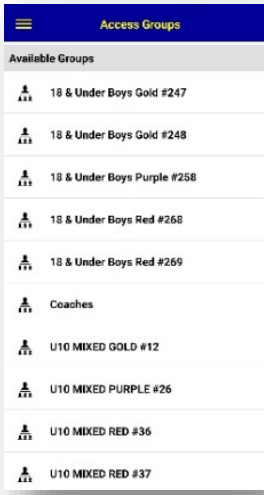

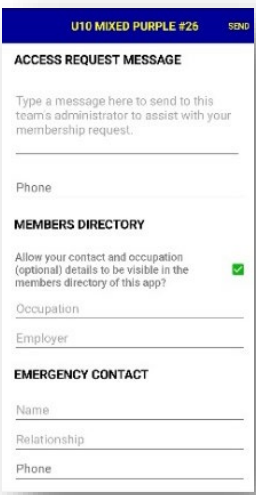

Click on this to locate your child's team
Jump to 3.

2. Go to "Membership", under the "Membership" area you will see "Access Groups".

3. Click on "Access Groups". Choose your child's "Team" and fill out the relevant details (send, a message will be sent to admin).

	<div style="display: flex; justify-content: space-around;">   </div> <p>IMPORTANT NOTE: Please ensure that if you are requesting access for a child or another person, put that note within the "Access Request Message". E.g.: Mother/Father of "Child's name" or member of the team.</p>
Step 4	<p>Confirm access by returning to Rockets home screen and clicking on Teams. Details should now be available.</p> <p>Tip: Saving to Favorites, go to "Teams" slide (left or right) on the team name or holding down on the team name (this should bring up a small prompt that says "favorite"). NOTE: Mac does not allow you to save as favorite.</p>
